ABOUT YOUR CLASSES

LES MILLS

BODYCOMBAT

A high-energy, martial-arts-inspired workout designed to improve cardiovascular fitness, coordination, and power while providing a focused outlet for stress and energy.

LES MILLS

BODYPUMP

A full-body barbell workout designed to improve muscular strength, bone density, and endurance through high-repetition resistance training guided by expert coaching.

LES MILLS

RPM

A structured indoor cycling workout designed to improve cardiovascular fitness, endurance, and lower-body power through guided, music-driven intervals.

LES MILLS

VIRTUAL RPM

Immersive, studio-quality cycling sessions led by world-class Les Mills instructors.
Available on demand whenever the Cycle Studio is not in use.

LES MILLS

VIRTUAL sprint

A high-intensity interval cycling experience designed to improve power output, cardiovascular fitness, and anaerobic capacity in a short, focused session.
Available on demand whenever the Cycle Studio is not in use.

ABOUT YOUR CLASSES

A traditional, steady-paced yoga practice focused on posture, breathing, flexibility, and strength to support both physical and mental balance.

A low-impact, precision-based training method designed to build core strength, improve posture, and enhance muscular balance through controlled movement.

A suspension-based strength class that builds core stability, balance, and full-body control using bodyweight resistance to improve movement quality and joint-friendly strength

A dance-based cardio workout combining Latin and global rhythms to improve cardiovascular fitness, coordination, and full-body movement.

ABOUT YOUR CLASSES

FIDELITY

FITNESS CLUB

SIGNATURE CLASSES

FIGHTING

FIT

A boxing-based conditioning experience designed to build cardiovascular capacity, coordination, and total-body power through structured rounds of punch work and athletic movement.

GROUP

CYCLE™

A rhythm-driven indoor cycling experience focused on improving endurance, lower-body strength, and aerobic performance in a motivating group environment.

SWING

YOGA

A suspended yoga experience using fabric hammocks to support movement, enhance spinal mobility, and create a sense of lightness, control, and physical release.
